**ORDER:**

P In the reference 1<sup>st</sup> read above, the Government have issued orders levying the Impact Fee to be collected at the time of issuing of Building Permission in addition to the fees and charges already being collected by APCRDA/MRDA/UDAs/ ULBs for Residential and Non Residential Buildings abutting to roads of width 60'-0" and above Master Plan roads / National Highways / State Highways / Bye Pass roads / Ring roads within the AP CRDA / MRDA / UDAs / ULBs Jurisdiction.

2. Certain Public Representatives and the Chairman, NAREDCO have represented the Government stating that the real estate sector is already facing many hurdles due to Covid-19 and the levy of impact fee is huge burden to the builders and not good for the industry.

3. The Director of Town and Country Planning, A.P has also brought to the notice of the Government that, number of requests are being received from individuals and ULBs through RTS (Request Tracking System) of A.P. Online Building System for waiver of Impact fee and clarification on applicability of Impact fee for revision cases. The DTCP, AP while informing the above have furnished a revised proposal for levy of Impact Fee.

4. Therefore and in order to ease the hurdles facing by the Real Estate Sector in the State and to encourage the aspirations of the middle class people to construct own houses, the Government after careful examination of the matter, have decided to modify the levy of impact fee rationally by taking into consideration of smaller municipalities and Nagara Panchayats in the entire State, duly superseding orders issued in the reference 1<sup>st</sup> read above.
